### UTAH MINE SAFETY COMMISSION SCHEDULES MEETING

The Utah Mine Safety Commission will meet on Tuesday, December 11, 2007, in the State Capitol Complex, West Building, Committee Room W025. The meeting will begin at 9:00 a.m. and is open to the public.

Michael K. McCarter, professor and chairman of Mining Engineering at the University of Utah and chairman of a Technical Advisory Group assembled to assist the Commission in its work, will report on that group's first meeting. Also on the agenda is Kent Hoffman, representing the Bureau of Land Management. The Commission will conduct other business as necessary and allow time for public comment.

Public comment may also be submitted to [minesafetycommission@utah.gov](mailto:minesafetycommission@utah.gov), or mailed to John Baza, Executive Secretary, Utah Mine Safety Commission, 1594 West North Temple, Suite 1210, PO Box 145801, Salt Lake City, Utah, 84114.

The Commission will make recommendations to the governor's office regarding the State's role in mine safety, accident prevention, and accident response. Governor Huntsman created the Commission following the disaster at the Crandall Canyon mine.
